

## Why P3

The unique aspect of our business is the mindset of our employees: curious, adventurous, and innovative.

P3 consultants take on early responsibilities with clients in management consulting, diverse technology topics, and scalable IT solutions.

Make a project your project. Openness for new, innovative, and unconventional approaches; short decision paths; respectful cooperation; and fruitful synergies make us a diverse, unbeatable team and successful company - worldwide.

LOCATIONS: WINDHOEK (NAM)

## Consultant (m/f/d) Project Management for the European Industry

### WHAT YOU'LL DO

- You will independently lead consulting projects in one of our areas of expertise: Project Management, Process Optimization, Agile, BI Consulting, Cyber Security, Quality Consulting, Technology Consulting, E-Mobility, Test Management, and Test Automation
- You will provide consulting services to clients from the European industrial sector
- Your tasks will include analyzing, optimizing, and standardizing company-wide processes for our clients
- You will develop concepts and create new methods
- You will support our clients throughout all project phases, from strategy to implementation

### WHO YOU ARE

- You enjoy working remotely in international teams from our office in Windhoek for European clients
- You have a technical background and an academic education
- You think conceptually but also have the ability to implement practical solutions
- You are result-oriented while maintaining a focus on people
- You see yourself as a pragmatic problem solver with strong digital expertise
- You are a team player but can also work independently
- You have intermediate German skills, are proficient in MS Office, and possess excellent communication and presentation abilities. Flexibility is one of your key strengths
