

## Why P3

The unique aspect of our business is the mindset of our employees: curious, adventurous, and innovative.

P3 consultants take on early responsibilities with clients in management consulting, diverse technology topics, and scalable IT solutions.

Make a project your project. Openness for new, innovative, and unconventional approaches; short decision paths; respectful cooperation; and fruitful synergies make us a diverse, unbeatable team and successful company - worldwide.

BRANCHE: TELECOMUNICATION / LOCATIONS: BERLIN; DUBAI (ARE); DÜSSELDORF...

## Technical Project Manager (m/f/d) – Network Benchmarking & Optimization

### WHAT YOU'LL DO

- Full ownership of customer engagements: scope, delivery, quality, and outcome
- Design of benchmark concepts, methodologies, and project setups
- Creation of proposals including scope, effort, and commercial structure
- End-to-end responsibility for in-time, in-budget, in-quality delivery
- Steering of engineers, data teams, and external execution partners
- Quality assurance across data, analytics, and reporting
- Translation of technical results into management-ready insights
- Relationship management with senior client stakeholders (CTO, Network, Engineering)
- Business follow-up: renewals, next cycles, and expansion opportunities

### WHO YOU ARE

- Strong background in telecom, networks, or data-driven engineering environments
- Experience leading complex technical projects with senior stakeholders
- Ability to turn technical depth into clear business decisions
- Ownership mindset – you think in outcomes, not tasks
- Entrepreneurial attitude and motivation to build something new
