

Why P3

The unique aspect of our business is the mindset of our employees: curious, adventurous, and innovative.

P3 consultants take on early responsibilities with clients in management consulting, diverse technology topics, and scalable IT solutions.

Make a project your project. Openness for new, innovative, and unconventional approaches; short decision paths; respectful cooperation; and fruitful synergies make us a diverse, unbeatable team and successful company - worldwide.

BRANCHE: TELECOMUNICATION / LOCATIONS: ANKARA (TUR); CLUJ-NAPOCA (ROU)...

Senior Pentester (m/f/d)

WHAT YOU'LL DO

- You conduct red team assessments and penetration tests for clients
- You simulate complex cyberattacks on enterprise environments
- You conduct phishing campaigns and attack simulations
- You analyze security vulnerabilities and lateral movement within networks
- You develop tools, scripts, and exploits for red team operations
- You create technical reports and deliver presentations for customers and management
- You collaborate with internal and external stakeholders
- You support innovative customer projects
- You conduct security assessments for telecommunications and mobile networks

WHO YOU ARE

- You have a completed degree in Computer Science, Cyber Security, or a comparable qualification
- You have experience in SOC, cyber defense, or incident handling (advantageous)
- You have knowledge of network protocols, SIEM systems, and IT security architectures
- You have an understanding of attack methods targeting applications, systems, and networks
- You work in a structured and independent manner
- You have a degree in Computer Science, Telecommunications, or IT security
- You have experience in network security or telecommunications
- You have knowledge of mobile and network protocols
