

Why P3

Der einzigartige Aspekt unserer Unternehmensberatung liegt in der Denkweise unserer Mitarbeitenden: Neugierig, abenteuerlustig und innovationsfreudig.

P3 Beraterinnen und Berater übernehmen früh Verantwortung gegenüber Kunden im Bereich Managementberatung, bei vielfältigen Technologiethemen und skalierbaren IT-Lösungen.

Mache ein Projekt zu deinem Projekt. Offenheit für neue, innovative und unkonventionelle Ansätze, kurze Entscheidungswege, ein respektvolles Miteinander und fruchtbare Synergien machen uns zu einem diversen, unschlagbaren Team und erfolgreichen Unternehmen - weltweit.

BRANCHE: AUTOMOTIVE / STANDORTE: PARIS (FRA); TOULOUSE (FRA)

Consultant (m/f/d) - Technical PO (Android Automotive)

WHAT YOU'LL DO

- You work on Android Automotive OS together with our client, an international tier 1 supplier, and Google
- You take a lead role for the development of functionalities in the service layer / middle ware of the Android Automotive OS
- You take responsibilities in a team comprising of developers, architects, DevOps engineers and testers
- You discuss technical solutions with the stakeholders on the side of our client
- You discuss requirements with our customers, prioritize the backlog and (re-)write them as user stories
- You interface with our HMI development team in Cluj, Romania and our HMI team in Paris

WHO YOU ARE

- You have successfully completed your studies in the field of engineering, computer science, etc.
- You have already gained practical experience in infotainment and connected services as well as with Android
- You have worked as a team lead, lead architect or technical product owner
- You have worked in (scaled) agile projects
- Your French and English language skills are business proficient
- You have very good communication and presentation skills
- You have strong systemic and analytical thinking capabilities
- You are flexible and willing to travel
