

Why P3

Der einzigartige Aspekt unserer Unternehmensberatung liegt in der Denkweise unserer Mitarbeitenden: Neugierig, abenteuerlustig und innovationsfreudig.

P3 Beraterinnen und Berater übernehmen früh Verantwortung gegenüber Kunden im Bereich Managementberatung, bei vielfältigen Thematiken und skalierbaren IT-Lösungen.

Mache ein Projekt zu deinem Projekt. Offenheit für neue, innovative und unkonventionelle Ansätze, kurze Entscheidungswege, ein respektvolles Miteinander und fruchtbare Synergien machen uns zu einem diversen, unschlagbaren Team und erfolgreichen Unternehmen - weltweit.

Technical Project Manager (m/f/d) – Network Benchmarking & Optimization

WHAT YOU'LL DO

- You take full ownership of customer engagements, including scope, delivery, quality, and outcomes.
- You design benchmark concepts, methodologies, and project setups.
- You create proposals, including scope, effort, and commercial structure.
- You are responsible end-to-end for delivering projects on time, within budget, and at high quality.
- You steer engineers, data teams, and external execution partners.
- You ensure quality across data, analytics, and reporting.
- You translate technical results into management-ready insights.
- You manage relationships with senior client stakeholders (e.g., CTO, Network, Engineering).

WHO YOU ARE

- You have a strong background in telecom, networks, or data-driven engineering environments.
- You have experience leading complex technical projects with senior stakeholders.
- You are able to turn technical depth into clear business decisions.
- You have an ownership mindset — you think in outcomes, not tasks.
- You bring an entrepreneurial attitude and the motivation to build something new.
