

Why P3

The unique aspect of our business is the mindset of our employees: curious, adventurous, and innovative.

P3 consultants take on early responsibilities with clients in management consulting, diverse technology topics, and scalable IT solutions.

Make a project your project. Openness for new, innovative, and unconventional approaches; short decision paths; respectful cooperation; and fruitful synergies make us a diverse, unbeatable team and successful company - worldwide.

BRANCHE: AUTOMOTIVE / LOCATIONS: DETROIT (MI, USA)

Consultant (m/f/d) e-Mobility

WHAT YOU'LL DO

- You will design the technological change towards e-mobility, from battery cell to electric drive train to charging station.
- You will advise suppliers, automobile manufacturers, and the energy industry on technological issues relating to electromobility and be responsible for project management.
- You will develop future-oriented, innovative solutions and methods for our customers in the field of electromobility.
- You will develop the conceptual design, planning, presentation, and rollout of technical and business management issues relating to the main areas of charging and charging infrastructure, electric powertrain, battery, etc.

WHO YOU ARE

- You believe in the future of e-mobility for the automotive industry.
- You are a driven individual with an exceptional work ethic.
- You have a Bachelor's degree and experience in a related field.
- You are authorized to work in the U.S.
- You are willing to travel.
