

Why P3

The unique aspect of our business is the mindset of our employees: curious, adventurous, and innovative.

P3 consultants take on early responsibilities with clients in management consulting, diverse technology topics, and scalable IT solutions.

Make a project your project. Openness for new, innovative, and unconventional approaches; short decision paths; respectful cooperation; and fruitful synergies make us a diverse, unbeatable team and successful company - worldwide.

BRANCHE: AUTOMOTIVE / LOCATIONS: ATLANTA (GA, USA); CHARLESTON (SC, USA); DETROIT (MI, USA)

Consultant (m/f/d) Project Management (PMO) / Data Analytics

WHAT YOU'LL DO

- Design, execute and manage strategic projects across all phases, from analysis to concept development to implementation.
- You will be responsible for building, monitoring, analyzing, and reporting on project plans.
- Support project teams with an understanding of activities across multiple workstreams in a program.
- Design, implement, and maintain systems used to collect and analyze business intelligence data.
- Create dashboards, databases, and platforms that allow for efficient collection and evaluation of BI data and to show the business performance to management.

WHO YOU ARE

- You have successfully completed your master's degree, ideally in Economics or Engineering.
- You have 2+ years of experience in consulting/project management.
- You have 2+ years of experience using data analytics tools such as Microsoft PowerBi, or similar platforms.
- You have 1-2 years of demonstrated experience with data visualization tools to build and design dashboards.
- You are characterized by a precise, independent, and structured way of working in a fast-paced environment.
- Self-motivated and driven with entrepreneurial spirit.
- Excellent written and verbal communication skills, well spoken with powerful presentation skills.
- You are detail oriented, structured and have common sense.
- You can work on your own with minimal guidance, while putting your team's interests before your own.
