

Why P3

The unique aspect of our business is the mindset of our employees: curious, adventurous, and innovative.

P3 consultants take on early responsibilities with clients in management consulting, diverse technology topics, and scalable IT solutions.

Make a project your project. Openness for new, innovative, and unconventional approaches; short decision paths; respectful cooperation; and fruitful synergies make us a diverse, unbeatable team and successful company - worldwide.

BRANCHE: AUTOMOTIVE / LOCATIONS: ATHENS (GRC)

Automotive Consultant, Agile Coach - Athens

WHAT YOU'LL DO

- Enable renowned customers in the implementation of agile methods.
- Coach and train management, product owners, scrum masters and cross-functional agile teams in the development of an agile process organization interacting between business, hardware, and software development.
- Support scaled and complex agile process organizations and their teams in the execution of events in an agile context and accompany the continuous improvement process.
- Bring agile values and principles as well as agile practices to life and promote leadership behavior in terms of servant leadership.
- Work in a network organization with maximum self-determination. Can choose the title on your business card yourself

WHO YOU ARE
